**IT'S EASY AS A-G FOR 9TH GRADE STUDENTS ACROSS THE LONG BEACH
UNIFIED SCHOOL DISTRICT TO JOIN OPERATION JUMP START'S COLLEGE
APPLICATION WORKSHOPS**

LONG BEACH, CALIFORNIA — Operation Jump Start (OJS) will hold it's annual Easy as A-G workshop, to give students much needed information on the requirements they must fulfill before applying to college. Experienced counselors and mentors will answer questions about the application process, and let students know what they should be doing for the next four years to be successful with their own applications.

Speakers will include "OJS" alumni, turned college grads, who will share their own experiences when applying to college, and the tools they used throughout highschool to prepare.

Monday, November 13th 2023 from 6:00pm to 7:30pm

OJS Office 3515 Linden Ave Long Beach, Ca 90807

###

Operation Jump Start was founded in 1994, with the intent to give underserved youth in Long Beach equal opportunities for success in higher education. Our volunteers and staff work to provide financial, educational, and emotional support to 250-300 students in the Long Beach Unified School district every year. It is our goal that the students we serve are not only accepted, but graduate from the college of their choice.
